Created by  **austrian  
exhibition  
experts**

# INSPIRERING INDUSTRY EVENTS

The **INTERTOOL X SCHWEISSEN** trade fairs are Austria's leading events for **manufacturing, joining, separation, and surface technology**. Every two years, they bring together industry innovators, decision-makers, skilled professionals and up-and-coming talents  
— all in one place: **Wels**.

Under the motto “**Austria's Strongest Trade Fairs**”, they position themselves as the **industrial trade fair highlights of 2026** — a platform for cutting-edge technologies, knowledge exchange, and networking.

All of this is complemented by a top-class supporting program.
