

# Österreichs stärkste Messen

21.–24. APRIL 2026 | MESSE WELS

intertool-schweissen.at

## Setup & Dismantling Times

### Setup times:

Wednesday, April 15 to Monday, April 20, 2026: 09:00–18:00

Early setup from Monday, April 13 is possible upon prior registration

([intertool@expo-experts.at](mailto:intertool@expo-experts.at) or [schweissen@expo-experts.at](mailto:schweissen@expo-experts.at))

### **IMPORTANT: Delivery of Large Machinery !**

We kindly ask that larger machines or particularly complex exhibits be brought in at the very beginning of the setup period. This helps ensure smooth operations in the halls and prevents delays.

Due to general hall cleaning, all aisle areas must be kept clear on Monday, April 20, 2026 from 18:00 onwards.

The construction of the booth setup must begin no later than Monday, April 20, 2026 at 12:00.

### Dismantling times:

Friday, April 24, 2026: 15:30–22:00

Saturday, April 25 to Monday, April 27, 2026: 08:00–18:00
